

Smowltech

Access to
Partners site

1. Access to our website

The new partners site is located within our website. <https://smowl.net/>

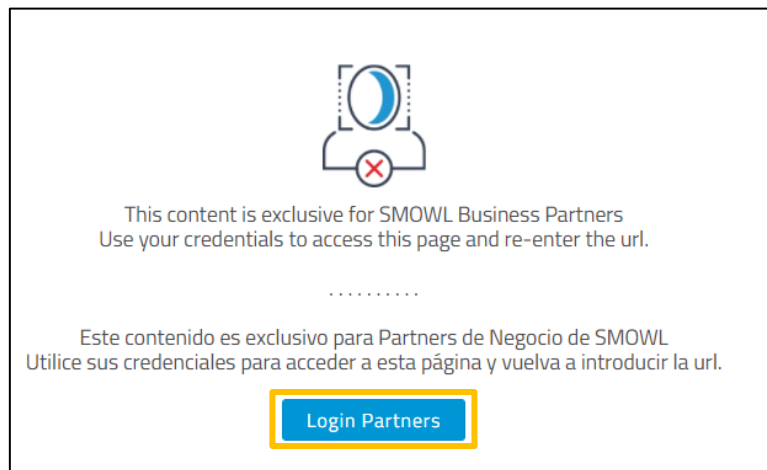

You can find the login link at the bottom of the page.

Footer smowl.net

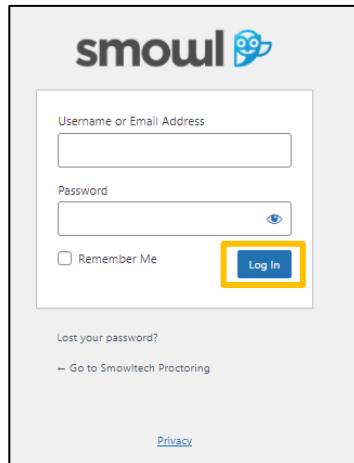

2. Enter your password

Once you click on “Partners site” link, you will be directed to a new page where you will be informed that the access is restricted, so you must identify yourself by clicking on “Login Partners” button.

Restricted access.

By clicking on the button, you will be directed to a page where you will need to enter the login credentials provided to you and click “Login”.

Login page.

3. Access to partners site

By clicking on "Login", you will be redirected to the home page.

You will have to go back to the bottom and look inside the footer for the link "Partners Site".

You will notice that now you do not have to enter your credentials to access the partner site.

Partners site.
